The health risks associated with the use of illegal drugs and the abuse of alcohol include physical and mental impairment, emotional and psychological deterioration, fine and gross motor degeneration and death. In addition to the health risks to the abuser of illegal drugs and alcohol are the risks to co-workers, students and the public. The College of Westchester's Office of Academic Affairs can provide referral to students with problems related to alcohol and drug use. Faculty and staff with problems related to alcohol and drug use should contact the Dean of Student Academic Services for referrals to treatment programs. Information about substance abuse and treatment programs is available in the Office of Academic Affairs which has procedures to assure confidentiality.

Individuals whose performance is impaired as a result of the use or abuse of drugs or alcohol, who illegally use or abuse drugs or alcohol on campus, or who have been convicted of violating any criminal drug statute while on The College of Westchester property will be sanctioned. The sanctions can include required completion of an appropriate rehabilitation program, suspension, dismissal, termination of employment, and referral for prosecution by law enforcement authorities.

As a condition of enrollment and employment, each student, faculty member and staff member will abide by the terms of this policy and will notify the President no later than five days after any conviction for a criminal drug offense committed on The College of Westchester property. Failure to comply with these conditions will constitute unsatisfactory conduct and will lead to appropriate sanctions.
